

## **Horsham Soccer Association Age Mandate**

In preparation for the 2017-18 season, Horsham Soccer Association (HSA) will complete the transition to the birth year registration format instituted by the U.S. Soccer Association during the previous season.

HSA will require that all newly formed teams comprised of birth year participants 2005 and younger comply with this mandate. HSA will require all players birth year 2005 and younger to try out at their age pure birth year regardless of where they played primary last season.

A player may petition to play up subject to review and approval by the HSA Travel Committee. The Travel Committee will review each petition on a case-by-case basis; however, no player petitioning will be permitted to play up on a B-level team except in specific, highly unusual circumstances where the viability of that B-level team may be compromised (may not compromise age pure team(s)).

Please forward any petition, questions or concerns to the HSA Travel Director at [traveldir@horshamsoccer.com](mailto:traveldir@horshamsoccer.com)

Thank you,
